

# Exalted: A Day Dark as Night™

## In the Name of the Unconquered Sun

Harmonious Jade is one of the deadliest women in the legendary time that is the Second Age of Man. Chosen by the Unconquered Sun itself, she has been remade into a demigod whose bow can fell whole companies of men. With that exaltation, however, have come echoes of ancient memories and a sense that she must use her gifts for a greater purpose. Chasing these phantasms of a past life, she has come to the trading city of Nexus, where others of her kind may hide. But are they long-lost companions, deadly enemies, or worse — both?

**Exalted: A Day Dark as Night** is the first in a new, unlimited series of novels based on the wildly successful **Exalted**® game line.
